Cost Ceiling: Oral Multivitamins Claims

January 30, 2025

Effective December 16, 2024, enhancement to the existing Cost Ceiling edit (as described in Provider Manual 4.3.2 Cost Ceiling) was implemented on oral multivitamins with a cost ceiling of \$150 on pharmacy claims. Claims for oral multivitamins exceeding the \$150 cost ceiling limitation should deny for NCPDP EC – 78 Cost Exceeds Maximum. Prenatal vitamins are excluded from the \$150 cost ceiling edit.

Refer to Provider Manual 4.3.2 Cost Ceiling:

Override provisions can be available via the pharmacy call center at 1-800-424-1664, which is the same process for overriding the existing Cost Ceiling edit of \$5,000 on all other pharmacy claims. If appropriate, override provisions are granted for 6 months.

If you have any questions or concerns, please call Prime at 1-800-424-1664.

Thank you,
