Reprocessing Claims

Pharmacy Providers,

We wanted to make you aware that Prime will be reprocessing claims from 10/28/23 to 10/28/24 due to the provider fee not being applied for the out of state pharmacies. In accordance with La. R.S. 46:2625, it is the pharmacies responsibility to pay LDH the \$0.10 provider fee for each outpatient prescription. As of 10/28/24, the \$0.10 provider fee has been applied to all out of state pharmacy claims to prevent further issues.

Prime has internally adjusted this claim to ensure the proper provider fee has been added to the claim. These impacted claims will appear on your remittances starting the week 02/04/25.

If you have questions about this notice, call Prime at 888.277.5510, option 1. You can also email your question to ProviderRelations@primetherapeutics.com

Thank you,
